

The Department of Electrical Engineering and Information Technology cordially invites you to the graduation ceremony on 16 May 2025.

As every year, the graduates will be honored (graduation period: 01.10.2023 - 31.01.2025).

The graduation ceremony begins at 5 pm in the SRG building at Campus North.

The event is part of the Department's Electrical Engineering Day and is accompanied by a supporting program to which all graduates, friends and family are invited. You can gain interesting insights into research and other activities of the faculty during laboratory tours and a poster exhibition. A food truck will be available. Please note the time schedule in the supporting program.

Participation is only possible after invitation and registration. Each graduate can bring a total of 3 accompanying people.

Supporting program graduation ceremony:

**13.30-16.00:** Laboratory tours (location: meeting point at 13.30 and 14.30 in the Physik-Innenhof (see map)) - our campus guides will accompany you to the laboratories

**15.00-17.00:** Food truck

**15.00-17.00:** Poster exhibition (location: SRG at North Campus North)

**17.00:** Graduation ceremony with honoring of the graduates (location: SRG at Campus North)
