

Master Courses "Sustainable Energy Systems"

1st Semester (winter term)

Stand: 06.10.2025

	Montag	Dienstag	Mittwoch	Donnerstag	Freitag
08:15 - 09:00		6 CP Power System Supervision, Operation and Protection HS 2/EF 50	8 CP Power System Stability, Dynamics and Control M / E29		
09:15 - 10:00		6 CP Power System Supervision, Operation and Protection HS 2/EF 50	8 CP Power System Stability, Dynamics and Control M / E29		
10:15 - 11:00					
11:15 - 12:00					
12:15 - 13:00				6 CP Design of Sustainable Products and Services SRG 1.001	
13:00 - 13:45				6 CP Design of Sustainable Products and Services SRG 1.001	
14:15 - 15:00	5 CP Energy Economics and Technologies P1-03-316		5 CP Planning and Operation of Distributed Energy Systems EF 50 0.215		
15:15 - 16:00	5 CP Energy Economics and Technologies P1-03-316		5 CP Planning and Operation of Distributed Energy Systems EF 50 0.215		
16:15 - 17:00	5 CP Energy Economics and Technologies P1-03-316		5 CP Planning and Operation of Distributed Energy Systems EF 50 0.215	6 CP Power System Supervision, Operation and Protection and C / HS 3	
17:15 - 18:00	5 CP Energy Economics and Technologies P1-03-316			6 CP Power System Stability, Dynamics and Control C / HS 3
